

Hobsons Bay Eco Expo

Love where you live.

Let's create a better future!

Our unique coastal environment
is a great place to live —
learn how to preserve it for future generations.

- Lots of valuable information on \$aving water, \$aving energy, reducing waste and reducing your impact on the environment.
- Workshops, demonstrations and guest speakers.
- Plastic Bag Exchange, swap 10 plastic shopping bags for an environmentally friendly cloth alternative. Limit 1 per person.
- Find out about local environmental groups, and how to get involved! Browse displays from water tanks to light globes and many more new environmentally friendly products.
- Loads of giveaways—it's a day not to be missed!

Together we can make our seaside home a beacon village for sustainable living and create a better future.
